**RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT**

Sir:

This paper is being filed in response to the Notice of Non-Compliant Amendment dated March 23, 2005. The Notice of Non-Compliant Amendment indicates that the response of December 3, 2004 to a first Notice of Non-Compliant Amendment dated November 23, 2004 was not in compliance with 37 C.F.R. 1.121 because the claims did not have the proper status identifier. We have corrected the situation by correcting the status identifiers from the response dated December 3, 2004.

In light of the following remarks, Applicant respectfully requests reconsideration and allowance. A check had been enclosed with the Office Action response dated August 16, 2004 to cover the cost of eleven additional claims, six of which are independent. We added a total of 21 new claims but canceled 10 claims in this response. We also had previously paid for seven independent claims. All claims have been paid and there should be no fees due. However, Commissioner is authorized to charge any fees due to Deposit Account 18-1167.
